

**A Message from the
Music Director**
Toronto Symphony Orchestra

I am very touched by the hard work, and dedication by the wonderful Volunteer Committee in putting together this Fine Wine Auction. I believe that the education and community outreach initiatives to bring the TSO's music to as many people as possible, is helping people get through these challenging days. On behalf of all of the musicians, I want to thank you for helping to raise the funds necessary to continue this vital work. With this exceptional selection of wines to choose from, I raise my glass to all of you with a toast to good health, and life surrounded with music.

Sincerely,
Gustavo Gimeno
Music Director
Toronto Symphony Orchestra
