

## A Message from the President

As the major fundraising project of the Toronto Symphony Volunteer Committee, we celebrate our 30th Toronto Symphony Orchestra Fine Wine Auction in a brand new ONLINE format. Our generous donors have allowed us to offer another truly amazing catalogue. We thank them for their generosity and loyalty to the TSO Fine Wine Auction. Some of our donors have been donating wine to the auction since its inception 30 years ago.

Congratulations to Chair Olga Fershaloff and the committee for organizing and producing this new way of presenting our traditional wine auction. Also a huge vote of thanks to TSVG General Manager Linda McGeown who has liaised with donors and the wine community, overseen the inventory and catalogue, and implemented the online system.

We'd also like to thank Robert Jull, wine appraiser and president of Vinifera Wine Services; Iron Gate Private Wine Management for wine storage, lotting and providing the online platform; auctioneer Stephen Ranger who has expertly conducted our auction for many years; and CIBC for hosting our live auctions.

Thanks for joining us! Enjoy the seven days of bidding opportunities – your support of the TSO is especially important at this unusual time of the COVID-19 Pandemic.

*Best regards,*
